

# **KHE Family Meeting Agenda**

## **December 14, 2018**

### **Establishing a Family Name**

Goal: As the time for the first meeting was dedicated largely to the initial sorting of families, this meeting is “part II.” Take time to finish establishing some or all of the following: family name, mascot, hand signal, quote, etc.

Welcome Conversation: Discuss ideas on how we can show gratitude toward each other with our words and actions. What are we thankful for in our classes and/or school?

Family Activity: Come up with a family name, mascot, hand signal, quote, etc. (Be creative) and take a family picture.

Out the Door: Challenge all group members to look for ways to share an appreciative comment with a Kissel Hill student, staff member, family member, or someone else they identify with the help of family at home.

Family leaders will share their “All About Me” page with their group to take home.
