

KHE School Family Meeting Agenda January 31, 2020

Celebrating Our Community Helpers

School Family Conversation:

What makes a community? What is a community helper? How do community helpers make the community a better place to live? Who are the people in our community that help us?

School Family Activity:

In preparation for Kindness Week (Feb 3–7, 2020), school families will make cards to spread thanks and kindness to various community helpers (police, fire dept., ambulances, service men & women, doctors/nurses, etc.) These cards will be distributed to various locations to spread kindness in our Lititz community. Each day during Kindness Week the students and staff at Kissel Hill will focus on ways we can celebrate and spread kindness in our homes, class, school, community, and world.

Out the Door/Challenge:

Get ready to celebrate Kindness Week and think about ways you can be kind or helpful to others!

Next School Family Meeting Date: March 12, 2020
